## **Executive Director of Operations**

Position Available

Make disciples who love God, love people, and serve the world.

Acting from this mission statement, we are looking for an executive to join our leadership team who is gifted to think strategically and implement vision. We believe the candidate for this position will have both business and church leadership experience. They will have engaged in a believing community where discipleship is biblically grounded, spiritually effective, and has resulted in life-change by the Spirit of God.

As our Executive Director of Operations, your abilities in human resources and experience with a multiple-level staff, financial administration of a large charitable organization and facilities oversight ability will complement the Lead Pastor toward achieving the vision of the church. Your understanding of Canadian secular and church cultures, along with your strategic thinking and implementation skills will enable effective ministry in the church and community. Your experience with hiring, leading, developing staff and volunteers in a team context will be essential in developing and implementing short and long-term ministry action plans. With your background and abilities in business, church ministry and as a team worker and servant leader, you will provide valuable insight and support for ERBC ministries.

Ellerslie Road Baptist Church is affiliated with the Baptist General Conference of Canada. Located on the southwest side of Edmonton, Alberta, we are a multi-generational, multi-cultural congregation of 1000 attendees. On Sunday mornings we celebrate two services including approximately 90 – 100 kids in our children's programs. In addition, our building is shared with our sister Mandarin congregation.

Please prayerfully consider this position and your fit with ERBC. For more information on the position and its requirements please forward your resume and cover letter to [edosearch@erbc.ca](mailto:edosearch@erbc.ca). The position will remain open until a suitable candidate is found.
